## KEY SKILLS

2 years of experience with Autodesk Revit

Experienced with Microsoft Office products

Experienced with JavaScript and C# WinUI 3 development

5+ years of experience with Web Development (HTML/CSS/JS)

## ACHIEVEMENTS

Achieved a 1 rating at the district-level KSHSHAA Solo and Ensemble, and received a 1 rating at the state-level Solo and Ensemble

Programmed an app to replace my school district's eHours portal, which is meant for logging service hours. The app is free, open source, and built on the latest Windows framework, making it efficient and modern.
